amine.belhadi@uir.ac.ma

SCOPE AND MOTIVATION

The International Conference on Transformative Technologies: Secure Networks & Decision Empowerments (ICTT 2024) invites researchers, academics, and industry professionals from around the globe to participate in a multidisciplinary forum. The conference will be a remarkable opportunity for dialogue, networking, and exchange of ideas in various areas of transformative technologies. ICTT 2024 will be held as a face-to-face event, and it aims to pave the way for innovations and cutting-edge solutions in secure networks and decision empowerment realms.

The first International Conference on Transformative Technologies: Secure Networks & Decision Empowerments « ICTT'24 » will be held (Hybrid Event) in Angers, France from Juin 05 to 07, 2024. The conference is organized by ESAIP, École d'Ingénieurs.

CYBERSECURITY, CRYPTOGRAPHY & BLOCKCHAIN

DATA SCIENCES & AI

MANAGEMENT OF INFORMATION SYSTEMS & DECISION SUPPORT

MODELING CONTROL AND OPTIMIZATION: INNOVATIVE STRATEGIES AND APPLICATIONS

- NEXT GEN NETWORK, 5G & SDN

SUBMISSION GUIDELINES:

Authors are invited to submit original, unpublished papers electronically in PDF format. The papers should not be submitted concurrently to journals or other conferences/workshops with proceedings. Papers must be written in English and be a maximum of 20 pages in length, including references and appendices. All submissions will undergo a blind review process.

The submission link is <https://easychair.org/conferences/?conf=ictt24>

If you have used this system before, you can use the same username and password. If this is your first time using EasyChair, you will need to register for an account by clicking "I have no EasyChair account" button. Upon completion of registration, you will get a notification email from the system and you are ready for submitting your paper. You can upload and re-upload the paper to the system by the submission due date.

PUBLICATION AND INDEXING:

Accepted papers will be scheduled for oral presentations and included in the conference proceedings. Indexing services will consider the proceedings for inclusion, such as ISI Proceedings, EI-Compendex, SCOPUS, MetaPress, and IoP Press.

Extended versions of selected papers will be considered for publication in Scopus indexed journals, after further review and revision.

KEY DATES:

Submission Deadline: 29 February, 2024

Notification of Acceptance: 10 April, 2024

Camera-Ready Papers Due: 20 April, 2024

Conference Dates: 05-06-07 June, 2024

VENUE:

Welcome to Angers, a picturesque and vibrant French city nestled in the Loire Valley, renowned for its medieval charm, delightful cuisine, and warm ambiance. You'll uncover architectural treasures such as the majestic Angers Castle, home to the famous Apocalypse Tapestry, along with stunning French-style gardens. Stroll through cobblestone streets in the city center, explore unique boutiques, taste local wines in troglodyte cellars, and savor gastronomic delights like the delicious « Cointreau » liqueur or the mouthwatering fouées. Angers is also a lively university town with a vibrant nightlife scene. Get ready to fall in love with a city that seamlessly blends tradition and modernity, where history intertwines enchantingly with contemporary life. Welcome to Angers, a must-visit destination in France !

ORGANIZERS:

ESAIP, École d'Ingénieurs.
